2019

What's Happening?

Happy New Year everyone! I pray you all had a wonderful vacation filled with fun memories with family and friends. It is hard to believe it is January already. Time has been flying by fast. This month we are excited to welcome some new school friends. We are also excited to announce our enrollment event for next school year. That event will take place on Saturday, January 26th from 9am-Noon. This event allows current families and new families to go through the enrollment process for next fall and reserve a spot in our program. Our current families will have the opportunity to reserve a spot in advance of others. Please check your child's mailbox for the initial enrollment form. This will need to be filled out and turned in before the January 26th date to insure a saved spot. At the enrollment event you will receive all of the other paperwork needed and the children will have the opportunity to meet some of their new friends and play with blocks and construction vehicles. Please let me know if you have any questions.
