## WELCOME!

---

Welcome, Wee Love families! We are so excited to have you be a part of our Wee Love family. This month we will be getting to know your child(ren). Mrs. Krull will be doing some initial assessments after we get settled in a bit. This will serve as a tool to help us make plans to help your child(ren) grow as we move through the school year. Children grow at different levels and in different ways. We will try our best to help the children with their struggles and give them challenges that help them grow too. Please do not hesitate to ask questions as we go throughout the school year. Open communication is key to your child's success. Let the adventures begin!
